

4on Grip Spray

Product price:

R400.00 tax included

Product codes:

EAN13: 7300009078974

Product features:

Product short description:

4on TotalGrip Spray is a highly advanced non-slip spray on product that prevents sweat and gives you maximum grip and friction in wet, sweaty and hot conditions.

The fine particles in the spray are moisture-activated, which in turn provides a stickiness that gives a high friction grip which will maximise your control.

Recommended use - Spray a very small amount of spray directly onto your hand and/or racket grip and increase from there as needed.

1 x 200ml Aerosol Spray.
